4th up:
 The bell about to dodge down double-dodges up (= at a Single).

2nd up:
 The bell about to dodge up makes long 3rds.

Ring over treble in penultimate (4th) place up → dodge 4/5 down.

The bell that turns you from the back will turn you from the lead

Ring over treble in 3rd place up > dodge 4/5 up.

Handstroke lead:
 The bell about to make 3rds makes 2nds and becomes the hunt bell.

Handstroke lead:
 The bell about to make 3rds is unaffected.

4th up:
 The bell about to dodge down double-dodges up (= at a Bob).

The sequence of bells at each change is correct for a plain course.
